MND Association Publications order form

Section A

How to order our publications

Our publications are free of charge to people living with or affected by motor neurone disease (MND), or Kennedy's disease. Health and social care professionals can also order items for themselves or on behalf of someone with or affected by MND or Kennedy's disease.

As a registered charity, our resources are limited. Please help reduce our information costs by downloading items whenever possible and only requesting print items that you need.

1. If possible, download them free from our website for instant access, at: **www.mndassociation.org/publications**
2. Alternatively, add the quantity you need against the required items shown on this order form and send the whole booklet to us.
3. Complete the details on the final page of this form to ensure delivery.
4. Return **all of the pages** of this order form to:
MND Association, Francis Crick House, 6 Summerhouse Rd, Moulton Park Industrial Estate, Moulton Park, Northampton NN3 6BJ

All resources are free, unless health and social care professionals wish to order multiple copies of our larger guides, or to support people living with other health conditions. In this case guides will cost £5 each, plus £2.00 post and packing per copy. see page 18 for more information.

You can also order through our helpline, MND Connect.

Telephone: 0808 802 6262

Email: **mndconnect@mndassociation.org**

Mon-Fri 9am to 5pm and 7pm to 10.30pm

Publications in other languages

To download our translated resources, see:

www.mndassociation.org/languages

We provide the following publications in a range of languages:

Introduction to motor neurone disease

Information sheet 1B - Health information in other languages or formats

Information sheet 7A - Swallowing difficulties

Information sheet 7B - Tube feeding

Information sheet 8A - Support for beathing problems

Information sheet 8B - Ventilation for motor neurone disease

To help you make an important decision about treatment and care, we may also be able to translate an additional information sheet or a section from our larger guides. Other formats such as Braille may be available. Contact the MND Connect helpline to discuss your needs and order.

To order a new publications order form	Quantity
Publications order form <i>Also provided with our Living with MND, Caring and MND, and End of life guides</i>	

As a charity, we support people with or affected by MND, or Kennedy's disease, in England, Wales and Northern Ireland. Unfortunately, we are not able to provide or post printed publications worldwide, outside of these three nations.

Section B

About us

The MND Association was founded in 1979 by a group of volunteers with experience of living with or caring for someone with MND. Since then, we have grown significantly, with an ever-increasing community of volunteers, supporters and staff.

We focus on improving access to care, research and campaigning for those people living with or affected by MND in England, Wales and Northern Ireland.

Our mission

We improve care and support for people with MND, their families and carers.

We fund and promote research that leads to new understanding and treatments, and brings us closer to a cure for MND.

We campaign and raise awareness so the needs of people with MND and everyone who cares for them are recognised and addressed by wider society.

We welcome your views

We welcome feedback on our publications to help us improve. Feedback forms or links to surveys are either provided with each item or can be found through our website:

www.mndassociation.org/publications.

You can also email suggestions to: **info.feedback@mndassociation.org**
Or you can write to us at:
