

Let's talk about end of life in motor neurone disease

Masterclass for health and social care professionals involved in the care of people with MND.

Facilitated by palliative care specialists Dr Idris Baker and Becky Whittaker, this masterclass aims to help professionals gain confidence in discussing death, dying and advance care planning with people with MND.

This masterclass will enable you to:

- understand the benefits and challenges of offering opportunities to discuss dying
- understand what happens as MND progresses and how patients might die
- increase confidence in initiating conversations about end of life
- understand advance care planning and resources to support this.

Location: St Ann's Hospice, St Ann's Road North, Heald Green, Cheadle, Cheshire SK8 3SZ

Date: 23 November 2020
