Household Support Fund	https://www.gov.uk/government/publications/household-support-fund-guidance-for-local-councils/household-support-fund-final-guidance-for-county-councils-and-unitary-authorities-in-england	£421 million has been made available to County Councils and Unitary Authorities in England to support those most in need to help with significantly rising living costs. This funding covers the period 01 April 2022 to 30 September 2022 inclusive. Local Authorities have discretion on exactly how this funding is used within the scope set out in the accompanying grant determination and this guidance. The expectation is that it should primarily be used to support households in the most need particularly those including children and pensioners who would have otherwise struggled with energy bills, food and water bills.	Cost of living
