

Expert biography

Emma Wood

Clinical Lead Dietitian

South Tessa NHS Foundation Trust Hospital

I am a qualified as a dietitian in 2004 and currently work as a Clinical Lead Dietitian specialising in Neurology, Neurosurgery and Neuro-Rehabilitation at South Tessa NHS Foundation Trust Hospital.

I have been a core member of the Middlesbrough MND team since 2008 caring for those living with and affected by MND.

I work closely with our PEG team and provide support and education to other health and social care professionals who also care for people and their families living with MND.
