

Expert biography

Katie Gibbon

MND Care Co-ordinator
South Wales MND Care Network

Katie initially qualified as a Speech and Language Therapist from the University of Wales Institute Cardiff, in 2008, before working as a Community Speech and Language Therapist with people with Long Term Conditions. This role is what sparked Katie's interest in working with people with Motor Neurone Disease.

Katie joined the South Wales MND Care Network as a Care Co-ordinator in 2012.
