

# Expert biography

## Jan Clarke

In 2016 Jan was recruited to the UK's first Nurse Consultant post for MND at UCLH.

Jan sits on the clinical advisory board of the MND Association and is a long-standing expert advisor to Marie Curie Education in relation to MND.

Jan is also an active member of the neuroscience forum committee of the Royal College of Nursing and helps organise the Annual Stephen Hawking Foundation MND Lecture held at the RCN.

Jan has an MSc in Palliative Care from Kings College, London and runs an advance planning clinic for people living with MND.
