Emma Chapman

Advance Nurse Practitioner
Douglas Macmillan Hospice
Stoke on Trent

Emma has been a qualified nurse since 2003 and been in an advanced role for the last 10 years.

She moved to palliative care working at the hospice 5 years ago. Emma began working closely with the local MND team to improve and enhance the support for MND patients known to the hospice 2 years ago.

They have built a strong working relationship which helps deliver good holistic care which greatly benefits our patients.
