Webmaster

“I gain satisfaction from knowing that I am doing something practical and positive to raise awareness of what MND is and the impact it can have on people's lives. In turn, this helps to encourage support for the Association which provides such an important service for local people.” Sarah, Volunteer

What’s involved?

- To produce, manage and maintain the branch or groups independent website and/or the branch or group webpage hosted on the Association’s website
- To ensure that an independent website meets the Association’s accreditation standard, including linking to the Association website
- To liaise with other branch/group volunteers to ensure that it is kept up to date
- To liaise with Newsletter Editor to ensure the newsletter and website are consistent
- To ensure it reflects the Association’s corporate identity
- To ensure content is in keeping with the Association’s mission and values.

This role will suit me if I:

- Good computer skills
- Experience of designing and maintaining websites.
- Good written communication skills

What’s in it for me?

- Become part of a friendly and dedicated team
- Make a positive impact to the lives of people affected by MND
- Get access to a range of learning opportunities

How flexible is the role?

Webmasters will work for approximately 1-2 hours per week.

What sort of training/induction will I receive before starting?

You’ll be inducted into the role and informed about the Association. As part of this, you will receive e-learning, face-to-face training and mentoring. The training programme will also include experiential and reflective learning.

What’s the next step?
