

# Helping you keep track

The five forms on the following pages can be printed to make notes and keep important information in one place. It is your choice if you wish to use these pages or not, but they may help if you meet a wide variety of health and social care professionals.

- 1: Personal details
- 2: Contact record
- 3: Appointment and communication record
- 4: Equipment record
- 5: Medication record

The following information is an extracted section from our full guide *Living with motor neurone disease*.

All of the extracted sections, and the full guide, can be found online at: **www.mndassociation.org/publications** 

The full guide can be ordered in hardcopy from our helpline, MND Connect:

Telephone: 0808 802 6262 Email: mndconnect@mndassociation.org

Living with motor neurone disease

# Part 4: Helping you to keep track

Introduction Personal details Contact record Appointment and communication record Equipment record Medication record References Acknowledgements Index We welcome your views

# Introduction

The five forms on the following pages have been developed to help you keep important information in one place. It is your choice if you wish to use these pages or not, but they may help if you meet a wide variety of health and social care professionals.

You can also download and print these forms to carry around as separate sheets. See *Helping you to keep track* at **www.mndassociation.org/lwmnd** 

The five forms are:

#### 1. Personal details:

to record basic information about yourself to save time at appointments.

We also supply a form in the folder of this guide, called, *Understanding my needs*. This is designed to help hospital staff and care workers provide you with suitable support

#### 2. Contact record:

to keep a central list of key people and services with their contact details.

# 3. Appointment and communication record:

to help you prepare for appointments and keep notes.

#### 4. Equipment record:

to note the equipment you receive and contacts for support.

### 5. Medication record:

to note when and how much to take of any medication, nutritional supplement or tube feed.

## **Personal details**

By recording your details here, you can use this page to show health and social care professionals if they need your basic information. This can be very helpful as you are likely to meet a wide span of professionals. Keep the guide safe if you complete this page, as it will contain confidential data.
