Accessing services and support

12: How we can help you
13: Useful organisations

The following information is an extracted section from our full guide *Living with motor neurone disease*.

All of the extracted sections, and the full guide, can be found online at: [www.mndassociation.org/publications](http://www.mndassociation.org/publications)

The full guide can be ordered in hardcopy from our helpline, MND Connect:

Email: [mndconnect@mndassociation.org](mailto:mndconnect@mndassociation.org)
12: How we can help you

This section explains how to access help from the MND Association.

We are a charity dedicated to improving the lives of people affected by MND in England, Wales and Northern Ireland. Scotland is supported by a different organisation called MND Scotland.

See Section 13: Useful organisations for contact details.

The earlier we can help you, the more we can accomplish on your behalf. You may at times feel very isolated, but you are not alone in this.

See the following for our service details.

MND Connect helpline

Our helpline provides support and information for:

- people living with MND or Kennedy’s disease
- their carers and families
- our volunteers
- health and social care professionals.

The team can provide emotional support, information and direct you to our own services and appropriate external organisations.

The service is available Monday to Friday, from 9am to 5pm and 7pm to 10.30pm.

Telephone: 0808 802 6262
Email: mndconnect@mndassociation.org

Association visitors (AVs)

AVs are trained volunteers who provide free and confidential guidance to people with MND or Kennedy’s disease, their carers, close family and friends.

An AV can help you identify problems as they arise, answer questions and discuss how you might get support.

All AVs are carefully selected and undergo a Disclosure and Barring Service (DBS) check. They are based in the local community and can contact you by phone, email or through home visits.

If you would like to be supported by an AV, a member of our regional care staff or our MND Connect helpline can help arrange this, where an AV is available.

If an AV is not available in your area, we can offer ongoing support and help through our helpline or your local branch or group. Please see other headings in this list for details.
Regional staff for local support

Our regional staff for local support have knowledge about the management and care of people with MND. They work with volunteers and affected families, or help to influence local service providers. Their aim is to help ensure care and support is made available at the right time.

Find out more about our services and local support on our website at www.mndassociation.org/support-and-information or contact our MND Connect helpline, as shown in this list.

Local branches and support groups

We have a network of more than 85 branches and groups, throughout England, Wales and Northern Ireland. These are run by volunteers and provide a warm welcome and the opportunity to meet others affected by MND. Our branches and groups offer guidance, information and get-togethers where people can share experience and support. These meetings sometimes include gatherings specifically for carers.

Our branches are listed on our website at www.mndassociation.org/branchesandgroups or contact our MND Connect helpline for help, as shown in this list.

MND Association Benefits Advice Service:

We can provide free, confidential and impartial advice on any benefits you may be entitled to. Find current contact details for England, Wales and Northern Ireland at: www.mndassociation.org/benefitsadvice or contact our MND Connect helpline for guidance.

Equipment loan and grants

We may be able to provide certain items of equipment and communication aids on loan, or consider requests for financial support through grants.

All statutory funding and services should be explored first. However, loaned items can be provided if you have to wait for health and social care services to arrange equipment or if they are unable to provide an item.

The following types of grant are available:

MND support (care) grant

Provided to: people living with MND or Kennedy’s disease, of any age.

Amount provided: depends on the type of spend and the value of any previous grants provided.

Application: by a health or social care professional following assessment of need, where this need cannot be met through the services they link to, or where provision will be delayed.

Can be used for: a variety of purposes, such as home adaptations, equipment or respite care.
**MND quality of life grant**

**Provided to:** people living with MND or Kennedy’s disease, of any age.

**Amount provided:** depends on the type of spend and the value of any previous grants provided, up to £500 in any one grant.

**Application:** by any family member, Association visitor, health or social care professional or a regional care staff contact.

**Can be used for:** improving quality of life for the person diagnosed, or for equipment that does not require a health or social care assessment.

**MND carer’s and young carer’s grant**

**Provided to:** family or non-professional carers, who are 16 or older.

**Amount provided:** up to £500 is available in any one year.

**Application:** by the carer, or on their behalf by one of our Association visitors or a health and social care professional.

**Can be used for:** a break from caring, as with a pamper day, a short break or to support a hobby.

**Young person’s grant**

**Provided to:** a child or young person aged 18 or under, who has a parent with MND or Kennedy’s disease, or who lives in the same household with someone who has been diagnosed.

**Amount provided:** up to £250 is available in any one year.

**Application:** by a family member for the young person, or on their behalf by one of our Association visitors, a regional care staff contact or a health or social care professional.

**Can be used for:** a variety of purposes, such as decorating their room at home, a family day out or for equipment to help the young person, such as a laptop.

If you have any queries about grants or equipment loans, please contact our MND Connect helpline, as shown in this list.

**Communication Aids Service**

Our Communication Aids Service helps people with MND, carers, families, and health and social care professionals, with queries about communication aids. The service provides limited financial support for communication aids or some items on loan, if unavailable or delayed through health and social care services.

Our aim is to improve provision and information on a local and national level, through collaboration with health and social care professionals.

Telephone: **0808 802 6262**

Email: **communicationaids@mndassociation.org**

**MND care centres and networks**

We part-fund MND care centres and networks across the UK. These offer specialist help to support people with MND, their carers and families.

MND care centres and networks bring together a range of health and social care professionals to provide co-ordinated care. They are usually referred to as a multidisciplinary team (MDT).

If you cannot get to a care centre or network easily, you can still receive co-ordinated care through regional neurological services and local specialist palliative care services.

MND care centres are not ‘buildings’, but usually take place in an established clinic in one place, such as a hospital.

MND networks provide similar services, but do not have a fixed location, as they cover a wide geographical area.
Care centres and networks sometimes run clinical drug trials and undertake clinical research about MND. They also help to educate colleagues in the community and share good practice to improve MND care and support.

To find your nearest MND care centre or network, contact our MND Connect helpline, as shown in this list.

**Our website**

Please visit the MND Association website to find our information resources online and more about our services and the MND Association. Find our site at [www.mndassociation.org](http://www.mndassociation.org) which includes news about our research, volunteering, fundraising and campaigning activities.

**Care information and publications**

We provide a wide range of care information resources and publications. Our information is developed and revised under an accreditation through PIF Tick [https://piftick.org.uk](https://piftick.org.uk)

This means it is evidence checked, user tested and reviewed by experts.

**Online forum**

Our online forum is a safe place to share experiences, ideas and a wealth of information, with other people affected by MND. You can access the forum on our website or at [https://forum.mndassociation.org](https://forum.mndassociation.org)

**Inclusion**

We are here for everyone living with or affected by MND or Kennedy’s disease in England, Wales and Northern Ireland. We acknowledge that people have differing needs, backgrounds, culture and faiths. Other aspects of diversity may also influence the way care and support should be offered and provided.

The MND Association supports equality in all of its services. Please ask the service you are dealing with if you have any particular preferences or needs that you wish to be taken into consideration.

“I don’t have family here in the UK, neither does my son, so we feel very lonely without money, moral support or information. Help!”

**Information in other languages and accessible formats**

We provide introductory information in languages other than English and a limited service for further translations of care publications. We also have alternative formats for some resources, such as audio or easy read.

Find out more at [www.mndassociation.org/languages](http://www.mndassociation.org/languages) or contact our MND Connect helpline. If needed on first enquiry, ask someone to contact the team on your behalf. They can help answer your questions or direct you to appropriate support.

Telephone: 0808 802 6262
Email: mndconnect@mndassociation.org
Membership
Membership of the MND Association enables you to join a community of people living with MND, their spouses, partners and carers. A community of people who all share the same vision of a world free from MND. As a unified force, our membership creates a powerful voice to support lobbying and campaigns on behalf of all people affected by MND.

By becoming a member, you will:

• have opportunities to influence the work of the Association
• be sent a welcome pack, including a membership card
• be able to link to your nearest branch or group
• receive Thumb Print, our quarterly magazine for our members
• be able to attend and vote at our AGMs
• have invitations to our conferences and events
• have access to a collectible pin badge every year.

To become a member, contact us by:

Telephone: 01604 611860
Email: membership@mndassociation.org

Getting involved
Many people with or affected by MND or Kennedy’s disease ask how they can get involved with our activities. If you would like to know more, see the following web pages:
