

West London Queer Project Pride Walk 2025

'This year's walk was a joyful show of solidarity — raising vital funds, spreading awareness, and reminding us why supporting families living with MND matters more than ever.'

Kapish Narda, Branch Chair

"Another fabulous day and (despite the threat of rain) a great turnout. It was a lovely 10km walk down the river Thames, with loads of us in our MND t shirts! The organisers did such a fantastic job, so thank you for a brilliant day, for a brilliant cause."

West London Queer Project Pride Walk 2025

'WLQP have brought awareness of MNDA to a whole new audience in West London, and the colourful parade of walkers was eye-catching. There were a lot of MNDA T-shirts among the Pride flags and banners. It's a lovely event to be involved in organising, and it's a beautiful walk too'

Naomi Neville, Branch Treasurer

'Fantastic and such a fun day out at the West London MNDA Walk 2025. The rain stayed away and everyone finished with smiles on their faces. The after party in The Black Lion was excellent again this year and the entertainment was first class fun.'
