

Our impact so far in 2025

£2.4m worth of eligible claims have been unlocked by our Benefits Advice Service for 327 people living with MND.

£660k worth of Cost of Living Grants have been awarded to 1,300 people with MND (an increase of more than 100% since June 2024).

584k *Daily Express* readers saw front page coverage of our *Prescribe Life* campaign in July with 22k signing our petition.

92 people affected by MND attended a family memory making day at London Zoo in September.

£4.1m raised by the Omaze appeal is funding our research nurse network, which has already successfully recruited 3 nurses.

3,352 calls and emails were handled by our Connect helpline team – an 8.2% increase on 2024.

50% increase in Carer's Grants compared with the same period last year.

£5m investment into the Longitude Prize on ALS, helping spearhead global innovation in MND research.
